

Jacksonville Fla

Nov-12-1945.

Dear Mr.-Mrs. Manley.

Received your letter
Containing the check. And its impossible
to explain how much I appreciate
Such a valuable favor. I can truly
say it could not have come in a
better time. I am glad to say that
I have improved to the extent where
I can apply for a better job.
Will certainly be glad to do anything
Required down this way that can
be of any assistance to you. I like
the Atlanta Black Crackers and the
Ashville Blues. Certainly spoiled
a many potentially good Ball players
Idea about what salaries to expect
in negro Base Ball. And any fair
young Ball players down here

Will laugh of a \$200. Two hundred
^{a month} Dollars offer. of course the war is
over and they will learn better. its
just the trouble northern clubs will
have trying to land just a fairly
good ball player.

I cant wait to see your club go
this ⁽¹⁹⁴⁶⁾ year. I hope Leon Day and Doby
Return in time. And whatever
good player returns to this city
will let you know at once
Especially a hard hitting pitcher.
By the name of School Boy Allen
Will keep in touch with you
on all developments pertaining
to base ball. Again I thank you and
Mr. Manley. Sincerely for no less
than a World Champion for the
Newark Eagles. - of 1946 -

Respt. yours
Richard Lundy
